

## ABOUT US?

SINGHAL TRADING COMPANY was incorporated by Mr.Saurabh Gupta in 2013, that deals in Iron & Steel Pipes (ERW/CRC). We are one of the prominent supplier & stockist of ERW Tubes situated at Bawana Industrial Area, Delhi. Riding on quality, service and reliability of the products, we procure from leading industries. Our growth has been massive, thanks to our loyal customer base. We continue to remain a customer centric organization. Through our national network, we are proud to offer high-quality products & services. Leveraging its experience in the field of technology, sourcing and marketing of pipes & tubes have been able to provide our clients, a wider variety and range of quality steel tubes. Our world-class customer service support team is always at the back and call of our customers and provides high quality service to our customers in an endeavor to minimize their down times. We aspire to become a humble "Global Trading House" in the Iron & Steel Pipes.

## WHY US?

- We have been the leading choice of the clients because of our Quality Products & Services we offer.
- Client satisfaction ranks first on our list of priorities.
- We believe in chalking business policies that are beneficial for our clients.
- We offer the most comprehensive and apt solutions for varied industrial challenges.
- We are open to mold our resources according to the requirements of our clients so that we deliver industry specific products.
- We provide highest size range, on time delivery & services to our clients.
